

CTO / Software Engineer

Summary

CTO, "CTO of AI Lab at Hovans, a leading AI SaaS company in Vietnam." I have over 6 years of experience in software engineering and AI, with a focus on building scalable AI products. I have led teams of engineers and data scientists, and I have a strong background in machine learning, deep learning, and natural language processing. I am currently looking for a challenging role where I can leverage my skills and experience to drive the growth of an organization.
